Claim Determinations

Urgent Care Claims

Aetna will make notification of an **urgent care claim** determination as soon as possible but not more than 72 hours after the claim is made.

If more information is needed to make an urgent claim determination, Aetna will notify the claimant within 24 hours of receipt of the claim. The claimant has 48 hours after receiving such notice to provide Aetna with the additional information. Aetna will notify the claimant within 48 hours of the earlier of the receipt of the additional information or the end of the 48 hour period given the **physician** to provide Aetna with the information.

If the claimant fails to follow plan procedures for filing a claim, Aetna will notify the claimant within 24 hours following the failure to comply.

Pre-Service Claims

Aetna will make notification of a claim determination as soon as possible but not later than 15 calendar days after the pre-service claim is made. Aetna may determine that due to matters beyond its control an extension of this 15 calendar days claim determination period is required. Such an extension, of not longer than 15 additional calendar days, will be allowed if Aetna notifies you within the first 15 calendar days period. If this extension is needed because Aetna needs additional information to make a claim determination, the notice of the extension shall specifically describe the required information. You will have 45 calendar days, from the date of the notice, to provide Aetna with the required information.

Post-Service Claims

Aetna will make notification of a claim determination as soon as possible but not later than 30 calendar days after the post-service claim is made. Aetna may determine that due to matters beyond its control an extension of this 30 calendar day claim determination period is required. Such an extension, of not longer than 15 additional calendar days, will be allowed if Aetna notifies you within the first 30 calendar day period. If this extension is needed because Aetna needs additional information to make a claim determination, the notice of the extension shall specifically describe the required information. The patient will have 45 calendar days, from the date of the notice, to provide Aetna with the required information.

Concurrent Care Claim Extension

Following a request for a **concurrent care claim extension**, Aetna will make notification of a claim determination for **emergency or urgent care** as soon as possible but not later than 24 hours, with respect to **emergency or urgent care** provided the request is received at least 24 hours prior to the expiration of the approved course of treatment, and 15 calendar days with respect to all other care, following a request for a **concurrent care claim extension**.

Concurrent Care Claim Reduction or Termination

Aetna will make notification of a claim determination to reduce or terminate a previously approved course of treatment with enough time for you to file an **appeal**.

Complaints

If you are dissatisfied with the service you receive from the Plan or want to complain about a **provider** you must write Aetna Customer Service within 30 calendar days of the incident. You must include a detailed description of the matter and include copies of any records or documents that you think are relevant to the matter. Aetna will review the information and provide you with a written response within 30 calendar days of the receipt of the **complaint**, unless additional information is needed and it cannot be obtained within this period. The notice of the decision will tell you what you need to do to seek an additional review.

Appeals of Adverse Benefit Determinations

You may submit an **appeal** if Aetna gives notice of an **adverse benefit determination**. This Plan provides for two levels of **appeal**. It will also provide an option to request an external review of the **adverse benefit determination**.

You have 180 calendar days following the receipt of notice of an **adverse benefit determination** to request your level one **appeal**. Your **appeal** may be submitted verbally or in writing and should include:

- Your name;
- Your employer's name;
- A copy of Aetna's notice of an adverse benefit determination;

- Your reasons for making the appeal; and
- Any other information you would like to have considered.

The notice of an **adverse benefit determination** will include the address where the appeal can be sent. If your appeal is of an urgent nature, you may call Aetna's Customer Service Unit at the toll-free phone number on your ID card.

You may also choose to have another person (an authorized representative) make the **appeal** on your behalf by providing verbal or written consent to Aetna.

Level One Appeal - Group Health Claims

A level one **appeal** of an **adverse benefit determination** shall be provided by Aetna personnel not involved in making the **adverse benefit determination**.

Urgent Care Claims (May Include **concurrent care claim reduction or termination**)

Aetna shall issue a decision within 36 hours of receipt of the request for an **appeal**.

Pre-Service Claims (May Include **concurrent care claim reduction or termination**)

Aetna shall issue a decision within 15 calendar days of receipt of the request for an **appeal**.

Post-Service Claims

Aetna shall issue a decision within 30 calendar days of receipt of the request for an appeal.

You may submit written comments, documents, records and other information relating to your claim, whether or not the comments, documents, records or other information were submitted in connection with the initial claim.

A copy of the specific rule, guideline or protocol relied upon in the adverse benefit determination will be provided free of charge upon request by you or your authorized representative. You may also request that the Plan provide you, free of charge, copies of all documents, records and other information relevant to the claim.

Level Two Appeal

If Aetna upholds an **adverse benefit determination** at the first level of **appeal**, you or your authorized representative have the right to file a level two **appeal**. The **appeal** must be submitted within 60 calendar days following the receipt of notice of a level one **appeal**.

A level two **appeal** of an **adverse benefit determination** of an **urgent care claim**, a **Pre-Service Claim**, or a **Post-Service Claim** shall be provided by Aetna personnel not involved in making an **adverse benefit determination**.

Urgent Care Claims (May Include **concurrent care claim reduction or termination**)

Aetna shall issue a decision within 36 hours of receipt of the request for a level two **appeal**.

Pre-Service Claims (May Include **concurrent care claim reduction or termination**)

Aetna shall issue a decision within 15 calendar days of receipt of the request for level two **appeal**.

Post-Service Claims

Aetna shall issue a decision within 30 calendar days of receipt of the request for a level two **appeal**.

If you do not agree with the final determination on review, you have the right to bring a civil action, if applicable.

Exhaustion of Process

You must exhaust the applicable Level one and Level two processes of the Appeal Procedure before you:

- establish any:
 - litigation;
 - arbitration; or
 - administrative proceeding;

regarding an alleged breach of the policy terms by Aetna Life Insurance Company; or any matter within the scope of the Appeals Procedure.

Health Claims – Voluntary Appeals

You may file a voluntary appeal for external review of any final standard appeal determination that qualifies.

If you file a voluntary appeal, any applicable statute of limitations will be tolled while the appeal is pending. The filing of a claim will have no effect on your rights to any other benefits under the Plan. However, the appeal is voluntary and you are not required to undertake it before pursuing legal action.

If you choose not to file for voluntary review, the Plan will not assert that you have failed to exhaust your administrative remedies because of that choice.

External Review

Aetna may deny a claim because it determines that the care is not appropriate or a service or treatment is **experimental or investigational** in nature. In either of these situations, you may request an external review if you or your provider disagrees with Aetna's decision. An external review is a review by an independent **physician**, selected by an External Review Organization, who has expertise in the problem or question involved.

To request an external review, the following requirements must be met:

- You have received notice of the denial of a claim by Aetna; and
- Your claim was denied because Aetna determined that the care was not necessary or was experimental or investigational; and
- The cost of the service or treatment in question for which you are responsible exceeds \$500; and
- You have exhausted the applicable internal appeal processes.

The claim denial letter you receive from Aetna will describe the process to follow if you wish to pursue an external review, including a copy of the Request for External Review Form.

You must submit the Request for External Review Form to Aetna within 60 calendar days of the date you received the final claim denial letter. You also must include a copy of the final claim denial letter and all other pertinent information that supports your request.

Aetna will contact the External Review Organization that will conduct the review of your claim. The External Review Organization will select an independent **physician** with appropriate expertise to perform the review. In making a decision, the external reviewer may consider any appropriate credible information that you send along with the Request for External Review Form, and will follow Aetna's contractual documents and plan criteria governing the benefits. You will be notified of the decision of the External Review Organization usually within 30 calendar days of Aetna's receipt of your request form and all necessary information. A quicker review is possible if your **physician** certifies (by telephone or on a separate Request for External Review Form) that a delay in receiving the service would endanger your health. Expedited reviews are decided within 3 to 5 calendar days after Aetna receives the request.

Aetna, the Company and the Health Plan will abide by the decision of the External Review Organization, except where Aetna can show conflict of interest, bias or fraud.

You are responsible for the cost of compiling and sending the information that you wish to be reviewed by the External Review Organization to Aetna. Aetna is responsible for the cost of sending this information to the External Review Organization and for the cost of the external review.

For more information about Aetna's External Review process, call the toll-free Customer Services telephone number shown on your ID card.
